

CERT Interest Survey

1. How would you rate your current interest in the CERT program?
 High Moderate Low

If your current interest level is moderate or low, what types of activities or opportunities for participation would increase your interest?

2. What types of additional training do you think would be helpful for you to maintain or improve your skills?

When would you be most available for training?

Weeknights Weekend mornings Weekend afternoons

3. If you have other suggestions that you believe would help us to improve the Woodinville CERT program, please write them in the space below.

4. Can you help take the Woodinville CERT program to a new level of organization, preparedness, and activity?
