Summary of all hazards in area - fill out this form on your way to Command Post and give it to Incident Command.

(* for structure damage: h=heavy, m=moderate, l=light)

Incident Command: Choose an incident, put a slash in the assignment completed column, copy the address/location to the incident name section on Incident Briefing, and give Incident Briefing and Assignment Status to incident team leader. Copy address/location to Post-Incident Status and enter start time. When incident is complete, put a backslash in the assignment completed column and the incident end time on the Post-Incident Status form.
