

Supplies by Priority When Moments Count

Personal: Prescription drugs; Necessary medical devices

Disaster: Flashlight and batteries; Radio; Cell phone; First aid kit; Bottled water

Protection: Sturdy shoes; Change of clothes; Rain gear; Blanket & pillow

Other: Keys (for car and for destination)

Water!

If Possible: Boil for 3-5 minutes.

Alternately: Filter and treat with 5.25%-6.00% sodium hypochlorite at:

16 drops per 1 gallon for 30 minutes
1 tsp per 5 gallons for 30 minutes

Treat again if water does not have slight chlorine odor.
